ABOUT ME

Computer Systems Engineering student with experience in web development and server administration. Proficient in JavaScript, TypeScript, React.js, Node.js, Java, and C. Passionate about programming, always exploring new technologies to enhance my skills and build innovative solutions.

EXPERIENCE

CONTA CORP

July 2023 - 2024

- **Systems Assistant**
 - Network administration, Windows Server management, and technical support.

Personal Projects:

- **Game of Life:** I am very passionate about cellular automata and developed a website featuring Conway's Game of Life.
 - Technologies: JavaScript, CSS, HTML. [GameOfTheLife](#)
- **ESCODE:** I am currently developing a website for my school's community and for anyone interested in learning about algorithms and their analysis in a fun way. This project was presented at Expo ESCOM.
 - Technologies: ReactJS, TypeScript, NodeJS.

EDUCATION

National Polytechnic Institute (IPN) - Superior School of Computing (ESCOM)

- Bachelor's Degree in Computer Systems Engineering
 - 2022 - 2026 (estimated)

CERTIFICATIONS & COURSES:

- Intermediate Computer Security Course – Cisco
- Introduction to Cybersecurity – Platzi
- Full Stack Web Development Diploma – Bedu
